By Britteny Dee

Last weekend marked the unofficial start of summer, and we're using the warmer weather as an excuse to do some shopping.

But before we break out our credit cards and start updating our wardrobe, we tapped **Cameron Silver**, the fashion director of **H by Halston**, to share some summer dressing do's and don'ts. Keep reading to see Silver's do's and don'ts for the season, and click through the slideshow above to shop some of our favorite pieces that fall in line with his tips.

**Do:**

Wear a light and airy maxi

Embrace color

Have fun with prints

**Don't:**

Wear constrictive clothing

Wear heavy shoes or boots

Be afraid to wear white after Labor Day!
