The Key

Polish any outfit with fabulously flattering cape-boot combos

Stars are taking fashion inspo from Wonder Woman and topping off their winter wear with chic capes and thigh-highs. The result: seriously fierce street style. "Pairing cape jackets with over-the-knee boots is a totally empowering duo that's fashionable, functional *and* flattering," says Cameron Silver, fashion director of QVC's H by Halston, who's dressed A-listers like Jennifer Lopez and Rihanna. "The topper's roomy fit hides trouble spots while sky-high footwear elongates the figure to instantly slim!" Here, our edit of the best picks to elevate your glam game to superhero status. **ES**

EXPERT TIP

Scoff marks on suede boots? "Rub an eraser over stubborn abrasions," says Silver. "Applying a firm amount of pressure will vanish unsightly grazes."

Urban Elegance

Leather + Suede

"A black leather-accented cape with suede thigh-high boots ups the sexy of any outfit," Silver says. He suggests pairing the dark duo with an electric purple sweaterdress for a bold pop of color. Finish with an eggplant pout, windswept locks and tinted sunnies for sleek city style.
